Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English. Brand new Book. Kyla and Lucas, like so many couples, have hit a rough patch in their marriage. To worsen matters, Lucas's meddlesome co-worker Jezzie Hale, begins giving him advice on how to fix their marriage. Kyla begins having supernatural visits to a strange and exotic location and meets a man named Yah. She finds these visits peaceful and insightful during this trying time in her life. Prompted by an interesting debate about the importance of Biblical Feasts, Kyla and Lucas find their passion rekindled when they do their own study on the history of the Feasts together. The heartbeat of God found in the Feasts- intimacy above works - parallels the much needed touch the couple have been missing in their romance. This is a yummy story with many facets- much like a 7 layer cake - richly woven together and guaranteed to sate the reader's appetite. - - review and description by Jessica Starr, author of The Heart Exchange.
